NOTE TO VENDORS:- A Draw for Order of Sale will be made before the Catalogue is printed. Dogs will be sold in Guineas and Commission will be charged at the rate of 5 pence for each Guinea (minimum charge of £10). Where Dogs are stated as being able to work cattle, a firm guarantee will be created between vendor and purchaser. Do not make this statement unless you are prepared to honour this agreement. Please see the reverse of this form for the conditions of sale.

FOR OFFICE USE ONLY			
DATE RECEIVED:		LOT NO:	FEE PAID:

## Conditions of Sale for Vendors & Purchasers

1. The order of sale has been drawn by lot and will be adhered to strictly.
2. All dogs will be sold in guineas. Commission will be charged at 5% (the guinea) plus VAT with a minimum charge of £10 plus VAT.
3. Entry Fee per dog is £15 + VAT (£18) and must accompany entry form. Late entries will be charged the same fee.
4. All dogs will be shown working on the day only. No guarantee will be given regarding the dogs ability to work or to give equal performance for the new owner. Purchasers will make their bids on the basis of performance of each dog as demonstrated at the point of sale. **All dogs are sold on a non-returnable basis.**
5. Vendors giving eye test warranties must lodge authenticated registration certificates with the Auctioneers at time of the sale.
6. Bitches MUST be clear of pup unless stated to the contrary. Complaints by the purchaser after the sale must be accompanied by a veterinary certificate clearly demonstrating that the animal was in pup at the time of sale.
7. **Unsoundness** – Unless stated to the contrary in the catalogue or at the time of sale, dogs are warranted by the vendor to be free from any unsoundness in respect of teeth, legs and feet (on sale day warranty). In all other respect except in the case of bitches proving to be in whelp the warranty allows 5 days post sale for registration of complaint and 5 days thereafter for supply of veterinary surgeons certificate by the purchaser. Veterinary surgeon's certificates must verify that the dog was carrying the unsoundness at the time of sale. This condition also applies to castrated dogs, spayed bitches and dogs with one testicle or any other known breeding defect.
8. Purchasers satisfying these requirements will be entitled to return the animal with reimbursement together with associated expenses.
9. If the **vendor** disputes the **purchaser's** claim for breach warranty, the claim shall be referred for decision to the **auctioneers** or to such other person as the **auctioneers** may appoint for the purpose, (in either case the "**referee**"). The **referee**, who shall act as an independent expert and not as an arbitrator, shall make such examination or trial of the animal and such inquiry of such persons as in his sole discretion he considers necessary or desirable for determining the dispute.
10. Castrated dogs, spayed bitches, and dogs with one testicle or any other known breeding defect must be declared by the vendor at the time of sale.
11. Vendors must not pass over dogs to purchasers without prior authority of the Auctioneers.
12. In the case of registered dogs, vendors must present the registration certificate and a signed transfer form to the Auctioneers before their dog is offered for sale. This is a requirement of the International Sheepdog Society and if not carried out would result in the dog being classed as non-registered.
