General conditions of sale as per Institute of Auctioneers and Appraiser of Scotland guidelines are available with specific variations as listed below.

Notice to Buyers – Terms of sale – **All purchased to be settled for and cleared on day of sale.** Purchase notes and delivery orders will be obtained from the sales cashier when the lots are settled for and, on handing delivery orders to shepherds in charge, they will give delivery and assist in trucking. The correct numbers of each lot will be given at the time of sale. When lots require to be cut the auctioneers reserve the right to send their yard shepherd to do so. Payment will only be taken in cash, cheque or debit card which will be subject to a surcharge as detailed below. Disputed sturdy sheep shall be decided by the yard shepherd. Every assistance in trucking will be arranged, as far as possible by the auctioneers who will not be responsible for loss or damage incurred thereby. Full trucking instructions including postal address must be left in writing with the office.

Notice to Consigners – The shepherds and herds in charge must remain beside their respective lots and take them to the sale ring. Should the shepherd not be in attendance at the time his lots fall to be sold it may be passed over and taken at the end of the sale. The Auctioneers will in no way be responsible for lost sheep.

Food Chain Information Declarations are on the reverse of the official sheep movement licenses or alternatively, are available from the office or on the Dingwall Mart website. It is the duty of all consigners of livestock to notify auctioneers at the point of sale or any withdrawal periods which may apply to the stock they offer for sale and it is also the responsibility of the buyer to ensure that any animal destined for the food chain are outwith any withdrawal period.
