Benefits of Sponsoring the NSA Sheep N.I. Event

Sponsoring the NSA Sheep N.I. Event is great opportunity to showcase your company's commitment to the sheep industry. There will only be one sponsor from any sector and allocated on a first come basis, e.g. there will only be one bank, one ear tag supplier. We are expecting increased cross border attendance at this year's event due to the proximity to the border and prevalence of sheep farming in neighbouring Donegal.
